Our Lady's Messages at Fatima

Amendment of Life: "I have come to warn the faithful to amend their lives and ask pardon for their sins. They must not continue to offend Our Lord, Who is already too much offended."

War: "Wars are a punishment for the sins of mankind."

Devotion to the Immaculate Heart of Mary: "God wishes to establish in the world devotion to my Immaculate Heart. If people do what I tell you, many souls will be saved and there will be peace."

Sins of the Flesh: "More souls go to Hell because of the sins of the flesh than for any other reason."

Immodest Fashions: "Certain fashions are being introduced that offend Our Lord very much."

Prayer and Sacrifice: "Pray, pray a great deal, and make sacrifices for sinners, for many souls go to Hell because they have no one to make sacrifices and pray for them."

Daily Rosary: "Say the Rosary every day to obtain peace for the world. And after each decade say the following prayer: *'O my Jesus, forgive us our sins, save us from the fires of Hell, and lead all souls to Heaven, especially those who have most need of Thy mercy.'*"

World Peace: "Tell everybody that God gives His graces through the Immaculate Heart of Mary. Tell them to ask graces from her, and that the Heart of Jesus wishes to be venerated together with the Immaculate Heart of Mary, for the Lord has confided the peace of the world to her... *In the end my Immaculate Heart will triumph....and there will be peace.*"

The Rosary and Conversion

"If you say the Rosary faithfully until death, I do assure you that in spite of the gravity of your sins 'you shall receive a never fading crown of glory.' Even if you are on the brink of damnation, even if you have one foot in hell, even if you have sold your soul to the devil as sorcerers do who practice black magic, and even if you are a heretic as obstinate as a devil, sooner or later you will be converted and will amend your life and save your soul, if – and mark well what I say – if you say the Holy Rosary devoutly every day until death for the purpose of knowing the truth and obtaining contrition and pardon for your sins." -*St. Louis de Montfort*

"All alone, saying the rosary requires effort for me. I feel that I say it so badly! Even if I strain to meditate on the mysteries of the rosary, I can't concentrate. I was distressed for a long time over this, since I love the Blessed Virgin so much...now I am less distressed because I think that the Queen of Heaven, being my mother, must see my good will and is satisfied by it." -*St. Therese of the Child Jesus*

To Save the World, Would You Give Ten Minutes a Day?

We need not convince you that the world is in a desperate state.

Why is the world in such a desperate state?...Because family life is not what it should be.

Family life will never be what it should be until Christ is restored to His rightful place in every single home.

Who can restore Christ to His rightful place in your home and in every other home...who, unless it be she who gave Him His rightful place in the very first Christian home, the model of your home and of all homes...the Holy Home of Nazareth – MARY.

Mary's way is the old way...the easy way...the sure way...the way of the Family Rosary – the Family Rosary, the prayer that makes a home strong with the strength of Christ, for was it not the Savior of the world Who said, "...where two or three are gathered together for My sake, there I am in the midst of them."

With Christ the all-powerful Son of God present in a home...what a blessed home...what a holy home...what a changed world with Christ in every home!

Use then Mary's way – the old way, the sure way, the way that never fails to bring Christ into the home...THE FAMILY ROSARY.

Prayer for October Month of the Holy Rosary and the Angels

Memorare to the Angels

Remember, O most Blessed Spirits, that Jesus, the Eternal Truth, assures us you rejoice more at the conversion of one sinner than at the perseverance of many just. Encouraged by these most sweet words, I, the least of creatures, humbly entreat you to receive me as your client, and make of me, unto you, a cause of true joy. Do not, O Blessed Spirits, reject this petition, but graciously hear and obtain my request.

*Angel of God, my guardian dear,
To whom His love commits me here,
Ever this day be at my side,
To light and guard, to rule and guide. Amen.*

The Angelic Trisagion

Holy, Holy, Holy, Lord God of Hosts, the heavens and the earth are
full of Thy glory.

(500 days indulgence. Plenary once a month under the usual conditions.)

Grandma's Rosary and Wine

When Grandma goes to say her Beads
For all our family and our needs,
She sweetly says to me: "My dear,
Play nicely with your dollies here
Until I call. Then come to me,
And bring your little Rosary."
I help her (Grandma says it's true)
With *Aves* ten, when she's most through.

She lays her hand, her gentle way,
Upon my head. "When children pray,"
She says, "the guardian angels take
The whispered *Aves*, and they make
(They do, indeed, right then and there)
The loveliest rosebud of each prayer:
Some rosebuds white, some rosebuds red, -
Red as the lips the *Aves* said.
Then, with the posy, off they fly,
Those happy angels, to the sky."

And all that Grandma says is true
I see it in her eyes – so blue
And clear and deep and kind –
That look right into mine, and find
Those thoughts that cannot see a way
To get out in the words I say.

I see her sitting over there
In her old-fashioned rocking-chair, -
The place (so I've heard father say)
She taught her babies how to pray
And now the rosy altar light
(She keeps it burning day and night)
Sends rays that give the softest kiss
To her gray head – like *this* and *this*.

A Note from Father

Dear Faithful,

Blessed Rosary Sunday to you all. It is such an important feast for all of us Catholics; not only because Our Lady is our Heavenly Queen, nor because she is the Mediatrix of Graces, which we all need to save our souls, but also because the Holy Rosary is the most common aspect that has aided people in today's crisis to see their way out of the Novus Ordo Church and find their way to Traditional Catholic Churches, such as St. Hugh.

The month of October began with me traveling to North Dakota to visit our two missions up there. I wrote a Note from Father last weekend for the St. Gertrude bulletin, in which I described these as the missions in the "soon to be frozen north." Sadly they are no longer "soon to be." Wednesday morning brought snow to Powers Lake. covering everything in a healthy coat of white. I would have had to drive through the snow but I had a flat tire upon arrival and therefore had to wait for the local shop to change it at a very country living pace. By the time they were done, so was the snow and I had little trouble driving back to Grand Forks.

Speaking of weather changes, Fr. McGuire reported that the change in temperature last weekend when he was here was quite drastic. He said it was in the 50s here in Milwaukee, but by the time he got to Chicago it was in the 80s! Lucky for him, I inherited his bad fortune with cars and he made it to Effingham with no problem.

Today I head up to Park Falls, WI, and the Joseph of Arimathea mission. Hopefully it is autumn up there and I can enjoy some good color in the trees while I drive. It seems like someone should have a proper fall since North Dakota has jumped straight to winter and Cincinnati is still in summer. Autumn is my favorite season. I love the cool crisp air, beautiful foliage, and dark nights which make for good sleep ... and speaking of darkness, please do remember to join us for our candle-light procession in honor of Our Lady of Fatima this Saturday, during which we will pray the Most Holy Rosary which we celebrate in today's wonderful Feast.

In Christ,
Fr. McKenna
